Dear Richard: A beautiful trip back home and am trying to get settled down to some fruitful work.

We had a lovely time with you and both Nanette and I so appreciated your hospitality. Your home is beautiful - why travel?

As soon as I can get to work, & books start coming in, I'll have one sent down to you.

Will you give Genesee and everyone else our best. We think it's a great person - I hope he'll be our friend. You'll hear from me soon.

As ever.

RHB.
